

Baby Diaper & Wipes Drive

Help improve the health and wellbeing of low-income and homeless babies in San Mateo County by donating diapers and wipes

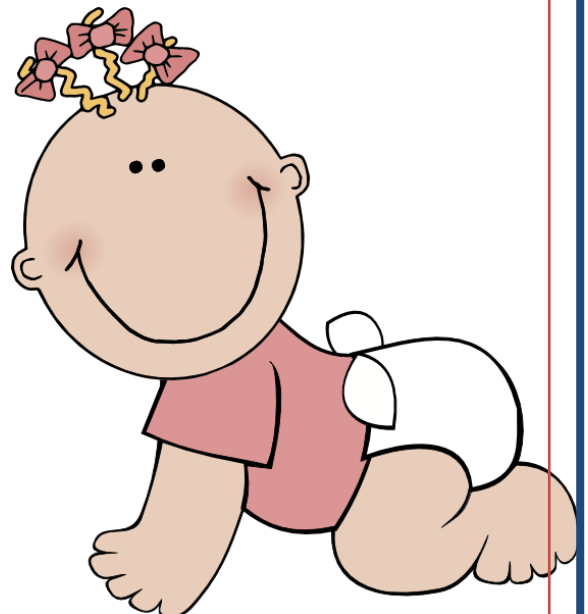

Diapers and wipes are not available through public funding and low-income and homeless families in San Mateo County are struggling to purchase enough for their infants. Babies often must stay in the same dirty diaper for long amounts of time.

The Children's Fund is here to help! We are starting an emergency diapers and wipes distribution to help families who need them the very most.

Everything we distribute is donated by the community.

We need your help!

- Donate diapers!
- Host a Diaper Collection Drive with your friends, mom's club, or community group.
- Make a monetary donation— every \$1 will purchase 3 diapers

For more information, collection drive materials, or drop off locations, contact us: childrensfund@smchsa.org or 650-802-5152 Address: 1 Davis Drive, Belmont, CA

THANK YOU FOR YOUR SUPPORT!
